

## **WESTCONGRESS ANNOUNCES LAUNCH OF ARTISAN CONTRACTORS AND ROOFING FACILITY**

***May 7, 2020***

WestCongress is pleased to announce the launch of a new primary general liability **Artisan Contractors and Roofing** program. This program will allow us to continue to offer our brokers and insureds in the Artisan Contractors and Roofing industries the tailored insurance solutions, full claims handling and outstanding customer service they have come to expect from WestCongress, all with highly rated, U.S. based carriers (AM Best Rated A- (Excellent), Financial Size Category VIII) and WestCongress' reinsurance partners. This facility expands our program offerings, which currently include primary and excess general liability products in the Security and Energy segments.

### **About Our Artisan Contractors and Roofing Program**

Our Artisan Contractors and Roofing program is led by Ted Camp and offers commercial general liability insurance solutions for commercial, industrial and residential roofing contractors and the full spectrum of artisan contractors, including drywallers, electricians, equipment installation, service and repair, foundation repair, home builders, commercial general contractors, HVAC, infrastructure and site work, metal work, painting, plastering, plumbing, welding, wrecking and demolition and utility contractors, among others. For more information about the Artisan Contractors and Roofing program, please feel free to contact Ted Camp by phone at 617.429.2164 or by email at [tcamp@westcongress.com](mailto:tcamp@westcongress.com).

### **About Our Security Program**

Our Security program offers commercial general and excess liability insurance solutions for security guards and private detectives, alarm installation and monitoring and fire suppression risks. Contact Larissa Gallagher by phone at 313.329.2971 or by email at [lgallagher@westcongress.com](mailto:lgallagher@westcongress.com) for more information about our security guard, private detective and alarm business. Inquiries regarding fire

suppression risks should be directed to Mike Horn by phone at 516.268.7368 or by email at [mhorn@westcongress.com](mailto:mhorn@westcongress.com).

### **About Our Energy Program**

The Energy program, led by Jose Rodriguez, is focused on traditional oil and gas industry risks, including site contractors, “over the hole” and “around the hole” service contractors and product risks, as well as oil and gas well owners and operators (including non-operating working interests). **This program recently expanded its appetite to include the mining industry (including mining owners, operators, contractors and products) and utility and industrial plant contractors.** For more information about the Energy program, please feel free to contact Jose Rodriguez by phone at 504.291.1194 or by email at [jrodriguez@westcongress.com](mailto:jrodriguez@westcongress.com).
